European Graduate Program - Commercial (Marketing & Sales)
(01.10.2021 / various locations across Europe)

Do you want to kickstart your career in Sales or Marketing? And get an insight into how both fields operate before planning your next step?

Avery Dennison Corporation (NYSE: AVY) is a global materials science and manufacturing company specializing in the design and manufacture of a wide variety of labeling and functional materials. Headquartered in Glendale, California, the company employs approximately 30,000 employees in more than 50 countries. Reported sales in 2019 were $7.1 billion. Learn more at www.averydennison.com.

Being part of the commercial stream of our two-year rotational European Graduate Program, you will get the chance to rotate between both functions and to develop all the commercial skills and techniques needed to succeed!

Your tasks may include activities such as

- Support all aspects of Product Management within certain segment such as product lifecycle management, 4P marketing mix, innovation pipeline
- Support and lead key Marketing & Sales initiatives in order to achieve strategic business targets
- Provide insight and recommendations to business by conducting thorough Market Analysis and Assessments
- Support our Customer Service and Sales Teams in all aspects of Customer Management
- Support and lead marketing communication programs (online/offline)

While you are on this exciting journey, you will receive plenty of support along the way. Our Mentoring Program, combined with a concentrated blend of experiential on-the-job learning, classroom and online training will enable you to build your skills and transition from college to the corporate workplace, leveraging strengths and defining your career path.

What we expect from you!

- University Degree (Bachelor/Master) in a relevant Engineering / Business field
- First relevant practical experience (e.g. internships, project work)
- A good level of English
- Willingness to relocate into different projects and locations across Europe during the program

We are looking for agile problem-solvers who enjoy working in a dynamic and collaborative environment, and who are striving to make a difference by contributing their own strengths and ideas.

We offer:

- Relocation Support
- Structured Training Curriculum
- Mentoring Program

Applying for European Graduate Program means going all out for an exciting, dynamic and multi-faceted opportunity that offers new challenges each day.
