**We are looking for new colleagues to support the teams working on our exciting projects!**

## Consultant (m/f/d)

**Offices:** Berlin, Bonn, Cologne, Frankfurt, Hamburg, Munich

### What makes us special:

- Challenging professional activities in a booming company
- Corporate culture led by our entrepreneurial spirit, openness, and integrity
- Short communication channels for optimal working conditions
- Helpful, enthusiastic colleagues and a great team spirit
- Extensive training and learning program as well as constant feedback
- Great employee events (World Meeting, Summer Party)

### How you will create an impact:

- Apply creative problem-solving and strategic thinking on national and international consultancy projects
- Execute comprehensive data analysis and turn this into actionable insights
- Develop and present solutions and recommendations for our clients

### About you:

- Above-average student performance (any subject with a focus on business, psychology, engineering, or science)
- Experience from an internship or industry practice
- Fluent business English and German (written and spoken)
- Proficient knowledge of MS Office
- Strong analytical skills and an eye for detail
- Conscientious and dynamic attitude, as well as excellent communication

**If you're interested and you'd like to support our team with your expertise, experience and commitment, we are looking forward to receiving your application: [talents.simon-kucher.com](https://talents.simon-kucher.com)**

### No one drives growth like we do.

We help our clients grow their revenues and profits — faster, better, and more sustainably than anyone else. We do this by optimizing their monetization, pricing, sales, and marketing strategies.
